A golf day à la française!

A day of business networking at Kingston Heath...

TUESDAY 22 FEBRUARY 2011

The French Chamber's annual Golf Day provides the ideal setting for corporate entertainment and business networking.

Invite your business partners, clients and prospects along to enjoy a relaxing game of golf whilst developing valuable social and business relationships. The day ends with drinks in the clubhouse followed by a gourmet dinner with fine French wines and the obligatory French cheese platter.

The FACCI Corporate Golf Day will take place at the exclusive Kingston Heath Golf Club. Ideally located in the sand-belt area near Cheltenham, a 30 minute drive from the CBD, Kingston Heath Golf Club is one of Australia's finest golf courses. With a course ranking of 2nd in Australia and 27th best course in the world, Kingston Heath enjoys an enviable reputation for its challenging layout and superb conditioning all year round. Designed in 1925, Kingston Heath boasts one of Australia's truly great par threes, the amazing 15th, and possibly the best bunkering system in the world. The Club has recently undergone major renovations and now boasts a brand new clubhouse in magnificent surroundings.

Over the years, Kingston Heath has hosted many major championships including 7 Men's Australian Opens, 1 Women's Australian Open, 7 Australian Match Championships, 2 Tournament Players Championships, 7 Victorian Opens, 4 British Open Qualifying Rounds and most recently the 2009 Australian Masters, won by Tiger Woods.
