BOLLORÉ LOGISTICS STRENGTHENS ITS LOGISTICS PARTNERSHIP WITH THALES

Bolloré Logistics has been selected for the implementation of a rationalization and optimization program for THALES logistics sites in France.

This program promotes synergies between THALES entities. For this purpose, Bolloré Logistics is piloting six logistics platforms located in Toulouse, Bordeaux and Brest but also in the Ile de France, Val de Loire and PACA (Provence Alpes Côte d'Azur) regions for 10 different THALES entities.

Our scope of work covers storage, orders management, final assembly line deliveries and quality controls.

Bolloré Logistics' central unit and innovative IT solutions enable optimized management of logistics flows, harmonization of processes and the conduct of an ambitious improvement plan.

Bolloré Logistics thus confirms its leading position in Supply Chain solutions in the Aerospace and Defense sector.

Our Aerospace expert teams and our supply chain specialists support manufacturers in their transformation on all continents.
