Nominations open for the 2026 WA Business Awards with new Multicultural Business of the Year category

Western Australia's leading businesses, entrepreneurs and organisations are invited to showcase their achievements, with nominations now officially open for the 2026 WA Business Awards, powered by *Business News*.

Celebrating excellence in businesses from start-ups to large enterprises, as well as regional organisations and across all industries, the WA Business Awards recognise the organisations and leaders driving innovation, growth and economic prosperity throughout Western Australia.

New for 2026 is the Multicultural Business of the Year award, recognising business owners born overseas who demonstrate excellence in fostering cultural diversity and inclusion while making a meaningful contribution to Western Australia's business community.

The new category reflects the increasingly important role multicultural businesses play in strengthening the state's economy, driving international trade and investment, and enriching Western Australia's vibrant business landscape.

Members of the French-Australian Chamber of Commerce & Industry are eligible for an exclusive 10 per cent discount on WA Business Awards entry fees. Members are invited to use the promotional code WABA10 when submitting their nomination.

The WA Business Awards provide businesses with the opportunity to benchmark their achievements, build credibility, enhance their profile, make new connections and gain recognition among Western Australia's most respected business community.

Whether celebrating business growth, innovation, leadership, sustainability or community impact, organisations are encouraged to put their achievements forward and be recognised alongside the state's leading businesses.
